

Compliant inverters

March 2026

This is a list of AS/NZS 4777.2 compliant inverters that are pre-approved for connection to our network. If your chosen inverter is not on this list, please supply specifications and AS/NZS 4777.2:2020 certification with application.

From 1 April 2026

Approved inverters on the Orion network will align with the Clean Energy Council approved inverter list at the following link: [Inverters | Clean Energy Council](#)

Transition Period up to 30 September 2026

- Orion are phasing out Inverters that comply to AS/NZS 4777.2:2015.
- Orion are operating a transition period of 6 months from 1 April 2026. Applications with inverters certified to AS/NZS 4777.2:2015 will only be accepted up to 30 September 2026.
- During this transition period, it is advised that customers and installers shift to using inverters that meet these new requirements for all new installations where possible.
