

Compliant inverters

1st October 2021

This is a list of AS 4777 and AS/NZS 4777.2:2015 compliant inverters that are pre-approved for connection to our network. If your chosen inverter is not on this list, please supply specifications and AS/NZS 4777.2:2015 certification with application. We will aim to update this list quarterly.
